

Congratulations TO THE **GSAE LEADERSHIP** **ACADEMY CLASS OF 2013**

THE GSAE LEADERSHIP Academy includes updated content that GSAE members identify as most critical and relevant for association professionals today. Through eight sessions participants go through components designed to facilitate experiential learning, including participant-led networking/community-building exercises; participant-led resources sharing; CEO interviewing and site visits to a variety of associations; topical content presented by GSAE facilitators; and professional ethics education. The next Leadership Academy class will begin in October, 2014. Applications will be available August 15, 2014. For more information visit gsae.org. <
